Barry said (jokingly, of course) that he wouldn't object to bartering his virtue for an endorsement, or preferably two, to which Michelle replied (quite seriously) that unfortunately she did not know anyone who might be in the market for Barry's particular type. Generally, she observed, it was younger people who got their endorsements by putting out. "Do you have a vacancy?" I asked, getting a whiz-bang idea. .Nolan thought of the hatred in Nina's eyes, and he shuddered. "Then what did she do with him?". A twig can be placed in the ground, where it may take root and grow, producing a complete organism of the kind of which it was once only a twig. Or the twig can be grafted to the branch of another tree (of a different variety even), where it can grow and flourish. In either case, it is an organism with a single parent, and sex has had nothing to do with its making. It is because human beings first encountered this asexual form of reproduction, his connection with fruit trees probably, that such a one-parent organism of non-sexual origin is called a "twig"; that is, "clone.
