Most people he met were temps, and the few Permanent License holders inclined to be friendly to him. It's a cliché of the American entertainment industry that if it works (i.e., if it makes money), do it again. It's a little unfair to denigrate Hollywood and its offshoots for this; most of the arts have been doing it since the Pleistocene. Certainly in films and on TV this makes for a lot of boring material; for instance, we've not seen the end of all the copies, blatant and

otherwise, of Star Wars." I think so," Lang said. "It was so little water, though. You know we didn't want to waste it; we condensed it out until the air we exhausted was dry as a bone." "believable" was the key word. He had to be involved unless the laws of probability had broken down completely. Yet I could swear Detweiler wasn't putting on an act. His guileless innocence was real, damn it, real. There were whirligigs in the second patch, but they lacked the variety and disorder of the originals. They were of nearly uniform size, about four meters tall, and all the same color, a dark purple. They had pumped water for two weeks, then stopped. When Song examined them, she reported the bearings were frozen, dried out. They seemed to have lost the plasticizer that kept the structures fluid and living. The water in the pipes was frozen. Though she would not commit herself in the matter, she felt they were dead. In their place was a second network of pipes which wound around the derricks and spread transparent sheets of film to the sunlight, heating the water which circulated through them. The water was being pumped, but not by the now-familiar system of windmills. Spaced along each of the pipes were expansion-contraction pumps with valves very like those in a human heart. prototype, with only two controls, one for space, one for time. The range of the device was limited to. The dancer raised a brow. "Ah-I see. You're the other one." He grinned at me. "You know, all those months Selene and I were together, if I hadn't already known about her, I'd never have guessed?". Lang looked over at him, and something in her face made him nervous.. 190.
