However the Division came about, from the beginning of historical time human beings have lived in the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost isles and beyond. People have puzzled at their choosing the empty sea for their domain, since dragons are "creatures of wind and fire," who drown if plunged under the sea. But they have no need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight, starlight. The only use a dragon has for the ground is some kind of rocky place where it can lay its eggs and rear the drakelets. The small, barren islets of the farthest West Reach suffice for this. he felt cold, cold through, though he was sitting in the full heat of the summer's day. We are. there. "What, to send them back into death?" the Namer said, and the Patterner, "Who is to say what is the law?" He had power to raise huge waves on the sea, and to stop the tide or bring it early; and his voice could enchant whole populations, bringing all who heard him under his control. So he turned Morred's people against him. Crying out that their king had betrayed them, the villagers of Enlad destroyed their own cities and fields; sailors sank their ships; and his soldiers, obeying the Enemy's spells, fought one another in bloody and ruinous battles. reality is entirely up to us, dependent on our energy and honesty. If we let it drop from memory. "Well, to my story. Forty years and more ago, there was a child born on the Isle of Ark, a rich isle of the Inmost Sea, away south and east from Semel. This child was the son of an under-steward in the household of the Lord of Ark. Not a poor man's son, but not a child of much account. And the parents died young. So not much heed was paid to him, until they had to take notice of him because of what he did and could do. He was an uncanny brat, as they say. He had powers. He could light a fire or douse it with a word. He could make pots and pans fly through the air. He could turn a mouse into a pigeon and set it flying round the great kitchens of the Lord of Ark. And if he was crossed, or frightened, then he did harm. He turned a kettle of boiling water over a cook who had mistreated him. control a storm, as a ship's weatherworker must do. But he thought he'd rather drown in a gale. He saw her now more clearly than he had seen her in the tower. He saw her more clearly than he had. Thwil. Dragonfly had gradually become silent and sullen. She ceased asking her endless questions. The eagle came, circling and screaming over the valley, the hillside, the willows by the stream. It circled, searching and searching, and flew back as it had come.
