Common people, even uncommon ones, tend to romanticize reality, often to fantastic extremes, and invariably in these days romanticism acquires religious overtones. In the present instance a perfectly practical undertaking has been interpreted, on the one hand, as an attempt on the part of the King to get high enough above the ground so he can shoot an arrow into Heaven and, on the other hand, as an attempt on the part of the local citizens, especially the rich ones, to provide themselves with an avenue into Heaven. The two interpretations have somehow intermingled and become one. The absurdity of the second is self-evident and unworthy of closer scrutiny. The absurdity of the first is also self-evident, but for the record Td like to cite a few pertinent facts.."Anywhere," he replied. Zorphwar runs at A-I priority on our machine, which means that any other use of the machine is halted while Zorphwar computations are completed. As you may have noticed, it took approximately forty minutes for the machine to compute the paths through the galaxy of those torpedoes, to determine their impact points, and to calculate die radius of destruction of each burst. Normally such overloads are handled by adjusting the work load in the Computer Center. However, at three thirty yesterday, the Center was in the midst of printing the paychecks for the entire Computer Products Division. The little delay our game occasioned upset the very tight schedule for that operation. As a result, all checks from R through Z were

not printed on time and failed to make the courier flight to the West Coast That is the reason your paycheck was not delivered to you today. Regrettably, it is also the reason that Division President Tailing and Corporation Comptroller Westland were not paid this week. While you are more familiar than I am with the personalities at Headquarters, I ?aspect that both of these gentlemen like to receive their paychecks. I trust that, if any investigations come out of this little incident, you will do your best to emphasize the fact that the Zorphwar program has already been modified to permit the launching of no more than tea doomsday torpedoes in one attack.
