compromises has been ready. But after ten days or so, Licky said, "Master Gelluk's coming here. If there's no ore for him, "You won't find out. It's all lies, shams. Old men playing games with words. I wouldn't play their. fought them like an animal till they knocked him on the head. They broke Otter's father's jaw and."Father, I don't want a party," Diamond said and stood up, shivering his muscles like a horse. He was bigger than Golden now, and when he moved abruptly it was startling. "I'll go to Easthill," he said, and left the room..So for a half-month or more of the hot days of summer, Irian slept in the Otter's House, which was a peaceful one, and ate what the Master Patterner brought her in his basket - eggs, cheese, greens, fruit, smoked mutton - and went with him every afternoon into the grove of high trees, where the paths seemed never to be quite where she remembered them, and often led on far beyond what seemed the confines of the wood. They walked there in silence, and spoke seldom when they rested. The mage was a quiet man. Though there was a hint of fierceness in him, he never showed it to her, and his presence was as easy as that of the trees and the rare birds and four-legged creatures of the Grove. As he had said, he did not try to teach her. When she asked about the Grove, he told her that, with Roke Knoll, it had stood since Segoy made the islands of the world, and that all magic was in the roots of the trees, and that they were mingled with the roots of all the forests that were or might yet be. "And sometimes the Grove is in this place," he said, "and sometimes in another. But it is always.".She looked at me almost with pity. But I was stubborn..had laid on Losen's person and expeditions and forays, the prisoning spells he had laid on the."Ah," said one of the women, the taller of the two, and she laughed. But she did not answer the gesture..I did not understand..Neither of them had been on Pody. It was a sleepy southern island with a pretty old port town, Telio, built of rosy sandstone, and fields and orchards that should have been fertile. But the lords of Wathort had ruled it for a century, taxing and slave taking and wearing the land and people down. The sunny streets of Telio were sad and dirty. People lived in them as in the wilderness, in tents and lean-tos made of scraps, or shelterless. "Oh, this won't do," Crow said, disgusted, avoiding a pile of human excrement. "These creatures don't have books, Tern!".He turned and made for the shore, hasty, careless where he set his feet and not caring if he broke.always led them, sooner or later, out of the wood to the clearing by the Thwilburn and the Otter's.She was in his charge, in his care, he had known that when he saw her. Though she came to destroy Roke, as she had said, he must serve her. He did so willingly. She had walked with him in the forest, tall, awkward, fearless; she had put aside the thorny arms of brambles with her big, careful hand. Her eyes, amber brown like the water of the Thwilburn in shadow, had looked at everything; she had listened; she had been still. He wanted to protect her and knew he could not. He had given her a little warmth when she was cold. He had nothing else to give her. Where she must go she would go. She did not understand danger. She had no wisdom but her innocence, no amour but her anger. Who are you, Irian? he said to her, watching her crouched there like an animal locked in its muteness.. "To those who will give me my name. In fire not water. My people.".It seemed that from Roke Knoll the whole extent of the Grove could be seen, yet if you walked in it you did not always come out into the fields again. You walked on under the trees. In the inner Grove they were all of one kind, which grew nowhere else, yet had no name in Hardic but "tree" In the Old Speech, Ember said, each of those trees had its own name. You walked on, and after a time you were walking again among familiar trees, oak and beech and ash, chestnut and walnut and willow, green in spring and bare in winter; there were dark firs, and cedar, and a tall evergreen Medra did not know, with soft reddish bark and layered foliage. You walked on, and the way through the trees was never twice the same. People in Thwil told him it was best not to go too far, since only by returning as you went could you be sure of coming out into the fields..The shrubbery parted. A winding path. Gravel crunched beneath my feet, shining faintly;.Otter could not speak; she had spoken through him, using his voice, which sounded thick and faint..going to do in town, in Oraby, when they got paid off. He heard a good deal about the whores in.watching, listening; and she knew how tricky the paths were, and that the Grove was, as the."Can you teach her?".and met the witch's hand. They put their arms round each other in a fierce, long embrace. Then.face. She put her hand to the door and it opened, but not into an apartment; the floor moved softly.walked down to find an inn near the docks. Dragonfly looked about at the sights of the city in a.lifetime of keen observation into the fourteen years that were all she was going to have for it.. "Very good, very good, Medra," said the wizard. "You may call me Father.".Several times, all of a sudden, in the daytime, there had been a moment when she had known him.She went to the wall, and it opened like a small bar. She stood in front of the opening..her name, while he walked to meet her. He made out the big head more by touch than sight, stroking.raiding ships even as far as the Inmost Sea. Of the fourteen Kings of Havnor the last was."Well, so I have to learn from him," said Dragonfly.. "And perhaps because such arts have not the power they once had," he said. He did not know himself why he tried to weaken her faith in wizardry; perhaps because any weakening of her strength, her wholeness, was a gain for him. He had begun merely by trying to get her into his bed, a game he loved to play. The game had turned to a kind of contest he had not expected but could not put an end to. He was determined now not to win her, but to defeat her. He could not let her defeat him. He must prove to her and himself that his dreams were meaningless..stream that came out of the woods to join the little river running down to the bay, Medra camped.For a long time nobody would touch him. He had fallen down in a fit in San's doorway. He lay there now like a dead man. But the curer from the south said he wasn't dead, and was as dangerous as an adder. San told how Otak had put a curse on Sunbright and said some awful words that made him get smaller and smaller and wail like a stick in the fire, and then all in a moment he was back in himself again, but sick as a dog, as who could blame him, and all the while there was this light around the other one, Otak, like a wavering fire, and shadows jumping, and his voice not like any human voice. A terrible thing..The nights were long and terrible, for the spells pressed on him, weighed on him, waked him over.still gangs of robbers on the roads. So Ivory left Westpool on the big wagon pulled by four big.know about Golden's household. His business was none of the witch's business. On the other hand,."Oh I see," Rose said after a moment. "But I don't see why you ran away..". "I don't live in this House. In any house," the Patterner said. "I live there. The Grove - ah," he.child, and she has no name. So then you wait. You open your mind up, like. Like opening the doors.her mind to watch their careful work. She wished she could help them at it. The waiting and the.wise alone. So these people try to hold to each other. And so that's why we're called the Hand, or.floor. Maybe the cold weather'll put an end to it."..The boy's drop-jawed stare irritated Hemlock, though he knew it shouldn't. Wizards are used to overweening confidence in the young of their kind. They expect modesty to come later, if at all. "I said Roke," Hemlock said in a tone that said he was unused to having to repeat himself. And then, because this boy, this soft-headed, spoiled, moony boy had endeared himself to Hemlock by his uncomplaining patience, he took pity on him and said, "You should either go to Roke or find a wizard to teach you what you need. Of course you need what I can teach you. You need the names. The art begins and ends in naming. But that's not your gift. You have a poor memory for words. You must train it diligently. However, it's clear that you do have capacities, and that they need cultivation and discipline, which another man can give you better than I can." So does modesty breed modesty, sometimes, even in unlikely places. "If you were to go to Roke, I'd send a letter with you drawing you to the particular attention of the Master Summoner."..of his wits with the dull life at Westpool, and was never slow to take a risk.
