Their allegory and enunciation associated with the book preferred definitely inspire anybody to target writing some sort of novel.

commandment. What wilt thou have me do now?' Quoth she, 'Leave weaving and open thyself a physician's shop.' But he answered, 'The people of my city know me and this affair will not profit me, save in a land of strangerhood; so come, let us go out from this city and get us to a strange land and [there] live.' And she said, 'Do as thou wilt.' Ye know I'm passion-maddened, racked with love and languishment, Yet ye torment me, for to you 'tis pleasing to torment. Then he gave me the present and letter and money for my expenses. So I kissed his hand and going out from before him, repaired to the sea-coast, where I took ship with many other merchants and we sailed days and nights, till, after a prosperous voyage, God vouchsafed us a safe arrival at the island of Serendib. We landed and went up to the city, where I carried the letter and present to the king and kissing the earth fell [prostrate before him], invoking blessings on him. When he saw me, 'Welcome to thee, O Sindbad!' quoth he. 'By the Most Great God, we have longed for thy sight and the day is blessed on which we behold thee once more.' Then he took my hand and seating me by his side, welcomed me and entreated me friendly and rejoiced in me with an exceeding joy; after which he fell to conversing with me and caressing me and said, 'What brings thee to us, O Sindbad?' I kissed his hand and thanking him, said, 'O my lord, I bring thee a present and a letter from my lord the Khalif Haroun er Reshid.' Then I brought out to him the present and the letter and he read the latter and accepted the former, rejoicing therein with an exceeding joy. End of Volume I. I marvel for that to my love I see thee now incline, What time my heart, indeed, is fain to turn away from thine. Fourteenth Officer's Story, The, ii. 183. One night, when the night was half spent, as Selim and Selma sat talking and devising with each other, they heard a noise below the house; so they looked out from a lattice that gave upon the gate of their father's mansion and saw a man of goodly presence, whose clothes were hidden by a wide cloak, which covered him. He came up to the gate and laying hold of the door-ring, gave a light knock; whereupon the door opened and out came their sister, with a lighted flambeau, and after her their mother, who saluted the stranger and embraced him, saying, 'O beloved of my heart and light of mine eyes and fruit of mine entrails, enter.' So he entered and shut the door, whilst Selim and Selma abode amazed. My transports I conceal for fear of those thereon that spy; Yet down my cheeks the tears course still and still my case bewray. 143. Ibrahim of Mosul and the Devil dclxxvii. In her revolving scheme, to bitter sweetness still Succeeds and things become straight, after crookedness. When Jaafer saw him, his reason was like to depart for shame and he knew that the chamberlain had been deceived by the likeness of the name; and Abdulmelik also perceived how the case stood and confusion was manifest to him in Jaafer's face. So he put on a cheerful favour and said, "No harm be upon you! (149) Bring us of these dyed clothes." So they brought him a dyed gown (150) and he put it on and sat discoursing cheerily with Jaafer and jesting with him. Then said he, "Give us to drink of your wine." So they poured him out a pint and he said, "Be ye indulgent with us, for we have no wont of this." Then he chatted and jested with them till Jaafer's breast dilated and his constraint ceased from him and his shamefastness, and he rejoiced in this with an exceeding joy and said to Abdulmelik, "What is thine errand?" Quoth the other, "I come (may God amend thee!) on three occasions, whereof I would have thee bespeak the Khalif; to wit, firstly, I have on me a debt to the amount of a thousand thousand dirhems, (151) which I would have discharged; secondly, I desire for my son the office of governor of a province, whereby his rank may be raised; and thirdly, I would fain have thee marry him to a daughter of the Khalif, for that she is his cousin and he is a match for her." And Jaafer said, "God accomplished! unto thee these three occasions. As for the money, it shall presently be carried to thy house; as for the government, I make thy son viceroy of Egypt; and as for the marriage, I give him to wife such an one, the daughter of our Lord the Commander of the Faithful, at a dowry of such and such a sum. So depart in the assurance of God the Most High." How long will ye admonished be, without avail or heed? The shepherd still his flocks forbids, and they obey his rede. "My soul be thy ransom," quoth I, "for thy grace! Indeed, to the oath that thou swor'st thou wast true." When it was the day of the going-in, (110) Bihzad, of his haste and lack of patience, betook himself to the wall, which was between himself and the princess's lodging and in which there was a hole pierced, and looked, so he might see his bride, of his haste. But the bride's mother saw him and this was grievous to her; so she took from one of the servants two red-hot iron spits and thrust them into the hole through which the prince was looking. The spits ran into his eyes and put them out and he fell down aswoon and joyance was changed and became mourning and sore concern. See, then, O king," continued the youth, "the issue of the prince's haste and lack of deliberation, for indeed his haste bequeathed him long repentance and his joy was changed to mourning; and on like wise was it with the woman who hastened to put out his eyes and deliberated not. All this was the doing of haste; wherefore it behoveth the king not to be hasty in putting me to death, for that I am under the grasp of his hand, and what time soever thou desirest my slaughter, it shall not escape [thee]." I shut myself up with my love; no spy betwixt us was; We feared no enemies' despite, no envious neighbour's hate. k. The Blind Man and the Cripple dccccx. Now it was the night-season. So the soldiers carried him without the city, thinking to crucify him, when, behold, there came out upon them thieves and fell in on them with swords and [other] weapons. Thereupon the guards left him whom they purposed to put to death [and took to flight], whilst the man who was going to slaughter fled forth at a venture and plunging into the desert, knew not whither he went before he found himself in a thicket and there came out upon him a lion of frightful aspect, which snatched him up and set him under him. Then he went up to a tree and tearing it up by the roots, covered the man therewith and made off into the thicket, in quest of the lioness. "O sister mine," answered Dinarzad, "bring forth that which is with thee and that which is present to thy mind of the story concerning the craft of women and their wiles, and have no fear lest this endamage thee with the king; for that women are like unto jewels, which are of all kinds and colours. When a [true] jewel falleth into the hand of him who is knowing therein, he keepeth it for himself and leaveth that which is other than it. Moreover, he preferreth some of them over others, and in this he is like unto the potter, who filleth his oven with all the vessels [he hath moulded] and kindleth fire thereunder. When the baking is at an end and he goeth about to take forth that which is in the oven, he findeth no help for it but that he must break some thereof, whilst other some are what the folk need and whereof they make use, and yet other some there be that return to their whilom case. Wherefore fear thou not to adduce that which thou knowest of the craft of women, for that in this is profit for all folk."
