For good reason." He thought he caught a whiff of fox from the little orchard behind the house..wherever here was, or anywhere. There had been black roads and dropping slopes and a vast green. He thought what he must do, and how he must do it. He wasn't sure whether he had summoned her or she had come of her own will; he didn't know how she had spoken the word of the Old Tongue to him or through him. He didn't know what he was doing, or what she was doing, and he was almost certain that the working of any spell would rouse Gelluk. But at last, rashly, and in dread, for such spells were a mere rumor among those who had taught him his sorcery, he summoned the woman in the stone tower. Dragonfly stopped too. She said after a moment, "I'm sorry. But I feel like - I feel like you betrayed me." "What's changed?" You must not weaken, and not think, "Oh, if I just beg them to let me in, they can't refuse me." The Old Speech, or Language of the Making, with which Segoy created the islands of Earthsea at the beginning of time, is presumably an infinite language, as it names all things. "She bled again just now, and I couldn't stop it," Dory said. Tears ran out of her eyes and down. "Why?" She was surprised. The light went with her. He was alone in the dark. The cold grip of the spells took him by the throat and choked him, bound his hands, pressed on his lungs. He crouched, gasping. He could not think; he could not remember. "Stay with me," he said, and did not know who he spoke to. He was frightened, and did not know what he was frightened of. The wizard, the power, the spell... It was all darkness. But in his body, not in his mind, burned a knowledge he could not name any more, a certainty that was like a tiny lamp held in his hands in a maze of caverns underground. He kept his eyes on

He had to regain it all, to go through it all, searching. Over and over he stood in that tower room and looked at the woman, and she looked at him. Over and over he walked through the little valley, through the dry grass, through the wizard's fiery visions, with her. Over and over he saw the wizard fall, saw the earth close.
