"I don't recall seeing your name anywhere. Miss Nesbitt said it was Andrew Detweiler?". "They've got practically all their strength out on the flanks both ways along the gorge," Swyley announced. "There are some units moving down the opposite slope, but they won't be in position for about another thirty minutes." The glow from the screen highlighted the mystified look that flashed across his face. He shrugged. "Right now they're wide open, right down below us." It was a sad Amos who wandered through those bright piles of precious gems that glittered and. "Not at all," laughed Jack. "They didn't even notice that the jailor was gone." For what they had done last night after we left them, was to take the jailor's key, free the prince, and tie up the jailor and put him in the cell under all the grey blankets. In the morning, when the sailor had come to exchange clothes, Jack had freed himself again when the sailor left, then slipped off the ship to join Amos..into the

clearing, the unicorn snorted and struck his front feet against the ground, one after the other. "The map says so," said the grey man. And sure enough, in large green letters one corner of the map was marked: HERE. "Listen, Jain?" "It would be all right for a while," she recalled. "But the pressure would build until I had to go out and find someone to talk to. It is a basic human need, after all. Perhaps the basic need. I had no choice." "Just what we were doing. Taking stock of our situation. We need to make a list of what's available. I smashed it down on the thing. I dropped the chair and leaned against the wall and heaved. . . . programmers and technical writers is in place. The schedule for putting together a production package is. . . .
