He had a sweet singing voice, a true ear, and a love of music, so that his mother, Tuly, "Oh, you startled me!" she said. "What can I do for you, then?". Sunbright had not been gone three days when a new stranger appeared in town: a man riding up the south road on a good horse and asking at the tavern for lodging. They sent him to Sans house, but San's wife screeched when she heard there was a stranger at the door, crying that if San let another witch-man in the door her baby would be born dead twice over. Her screaming could be heard for several houses up and down the street, and a crowd, that is, ten or eleven people, gathered between Sans house and the tavern. narrow back street of the old city, memorizing long, long lists of words, words of power in the. before or after the time of the original novels, as well as an essay on the people, languages. Behind. contemptuous of sorcerers, with their sleights and illusions and gibble-gabble, but afraid of. ONE WINTER AFTERNOON on the shore of the Onneva River where it fingers out into the north bight of the Great Bay of Havnor, a man stood up on the muddy sand: a man poorly dressed and poorly shod, a thin brown man with dark eyes and hair so fine and thick it shed the rain. It was raining on the low beaches of the river mouth, the fine, cold, dismal drizzle of that grey winter. His clothes were soaked. He hunched his shoulders, turned about, and set off towards a wisp of chimney smoke he saw far down the shore. Behind him were the tracks of an otter's four feet coming up from the water and the tracks of a man's two feet going away from it. So Diamond, instead of learning spells and illusions and transformations and all such gaudy tricks, as Hemlock called them, sat in a narrow room at the back of the wizard's narrow house on a narrow back street of the old city, memorizing long, long lists of words, words of power in the Language of the Making. Plants and parts of plants and animals and parts of animals and islands and parts of islands, parts of ships, parts of the human body. The words never made sense, never made sentences, only lists. Earthsea!" he cried. "Ignorant power is a bane!" Crow was a strange man, willful, arrogant. Look, Medra. Look!. He was mad, and she didn't know what possessed her to let him stay, yet she could not fear him or distrust him. What did it matter if he was mad? He was gentle, and might have been wise once, before what happened to him happened. And he wasn't so mad as all that. Mad in patches, mad at moments. Nothing in him was whole, not even his madness. He couldn't remember the name he had told her, and told people in the village to call him Otak. He probably couldn't remember her name either; he always called her mistress. But maybe that was his courtesy. She called him sir, in courtesy, and because neither Gully or Otak seemed names well suited to him. An otak, she had heard, was a little animal with sharp teeth and no voice, but there were no such creatures on the High Marsh. "Why can't I give myself my own true name?" Dragonfly asked, while Rose washed the knife and her. The roasting pit took up the center of a huge domed chamber. Hurrying, sticklike figures black against the blaze shoveled and reshoveled ore onto logs kept in a roaring blaze by great bellows, while others brought fresh logs and worked the bellows sleeves. From the apex of the dome a spiral of chambers rose up into the tower through smoke and fumes. In those chambers, Licky had told him, the vapor of the quicksilver was trapped and condensed, reheated and recondensed, till in the topmost vault the pure metal ran down into a stone trough or bowl-only a drop or two a day, he said, from the low-grade ores they were roasting now. singly or several at a time from their metal lairs and speeding away, always in the same direction. "I don't even know what it means. Nais. . . girl, what's the matter with you?". "If I stayed a month, if I stayed the winter, would that use it up? I should have a place to stay. The heap moved, and roused up slowly. They saw it was the curer, just as he had been, no fires or. "Simply as I protect myself," the wizard said; and after a moment, testily, "The bargain, boy. The cowboys rode out and tried to round up the animals so thought, the man on the sheet would say that Olaf or I was similar to himself -- we were not so. "I didn't mean to hurt Father's feelings," he said. Otter was slow to recover, to heal. The bonesetter did what he could about his broken arm and his damaged hip, the wise woman salved the cuts from the rocks on his hands and head and knees, his mother brought him all the delicacies she could find in the gardens and berry thickets; but he lay as weak and wasted as when Hound first brought him. There was no heart in him, the wise woman of Endlane said. It was somewhere else, being eaten up with worry or fear or shame. The furniture -- armchairs, a low sofa, small rabies -- looked as though it had been cast in marshlands, a village not far away. He had thought he was on the way to the village, but had taken entrance of the mine. They went underground. The passages of the mine were a dark maze like the. Another pause. Golden glanced over at his wife, who stood by the window listening in silence. Then he looked at his son. Slowly the mixture of anger, disappointment, confusion, and respect on his face gave way to something simpler, a look of complicity, very nearly a wink. "I see," he said. "And what did you decide you want?". offer, which would have been natural, perhaps, but painful to the father, the owl who had -- studying the Acastan Spells.
