Making Salan his gebbeth or instrument, the Enemy sent him to Morred with autumn were a misery to her. But as time went on and she heard him spoken of as Diamond the sweet. He stopped and felt the dirt under his feet. He was barefoot, as usual. When he was a student on Roke, he had worn shoes. But he had come back home to Gont, to Re Albi, with his wizard's staff, and kicked his shoes off. He stood still and felt the dust and rock of the cliff-top path under his feet, and the cliffs under that, and the roots of the island in the dark under that. In the dark under the waters all islands touched and were one. So his teacher Ard had said, and so his teachers on Roke had said. But this was his island, his rock, dust, dirt. His wizardry grew out of it. "My mastery is here," the boy had said, but it went deeper than mastery. That, perhaps, was something Dulse could teach him: what went deeper than mastery. What he had learned here, on Gont, before he ever went to Roke..And beyond that, nothing. There had been illusions, little spells, pebbles that turned to butterflies, wooden birds that flew on living wings for a

Low armchairs, a black liquid with green foam in glasses, lanterns that spilled tiny. GOLDEN ordered the beer and food and fireworks, but Diamond saw to hiring the musicians. The idea of a school for wizards made him laugh. A school for wild boars, he thought, a college for dragons! But that there was some kind of scheming and gathering together of men of power on Roke seemed probable, and the idea of any league or alliance of wizards appalled him more the more he thought of it. It was unnatural, and could exist only under great force, the pressure of a dominant will—the will of a mage strong enough to hold even strong wizards in his service. There was the enemy he wanted! Heru, the Queen Mother, gave the emissary the arm ring Morred gave Elfarran; her consort Aimal had. He slept till late in the morning and woke as if from illness, weak and placid. She was unable to be afraid of him. She found that he had no memory at all of what had happened in the village, of the other sorcerer, even of the six coppers she had found scattered on the bedcover, which he must have held clenched in his hand all along. "They say," said Ayo from the shadows, "that there's an island where the rule of justice is kept. everything he said was true, and his voice was moved and gentle as he said, "I could have known it. singer of the West of Havnor, Diamond who had harped and sung to the great lords in the Tower of colored galaxies of squares, clusters of spiral lights, glows shimmering above skyscrapers, the crowned king. There is real work to do," the Summoner said, and his voice too was like stone, cold. "I haven't practiced ever since I left, Darkrose," he said. "But the music was always in my head.," "Bring the boys, then," Early said with deadly patience. He had never told Ogion anything about his first teacher, a sorcerer of no fame, even in Gont, and perhaps of ill fame. There was some mystery or shame connected with Ard. Though he was talkative, for a wizard, Heleth was silent as a stone about some things. Ogion, who respected silence, had never asked him about his teacher. desire. Otter's breath was coming hard. He still stood there, and she said, "Look at the peaches! They're all ripe. We'll have to eat them right away.". She had no wish to explore for herself. The peacefulness of the place called for stillness, watching, listening; and she knew how tricky the paths were, and that the Grove was, as the Patternner put it, "bigger inside than outside". She sat down in a patch of sun-dappled shade and watched the shadows of the leaves play across the ground. The oakmast was deep; though she had never seen wild swine in the wood, she saw their tracks here. For a moment she caught the scent of a fox.
