Partyland was probably full of people in their situation, all hoping to connect with some bona fide Permanent License holder, instead of which they went around colliding with each other.. "No, I am not saying that SP3 could be modified from a robot craft to carry a human crew. The design could not feasibly be modified at this late stage. Too many things would have to be thought out again from the beginning, and such a task would require decades. And yet, nothing comparable to SP3 is anywhere near as advanced a stage of design at the present time, let alone near being constructed. The opportunity is unique and cannot, surely, be allowed to pass by. But at the same time we cannot afford the delay that would be needed to take advantage of that opportunity. Is there a solution to this dilemma?" He looked around as if inviting responses. None came.. "Are they valuable?".The ones that have made it waste nothing. He glanced at the replica of the star-robot probe again. "SP3 now has a name. It has been named after a goddess of Chinese mythology whom we have adopted as a fitting patroness: Kuan-yIn--the goddess who brings children. Let us hope that she watches over her children well in the years to come.".We flew over and spent most of the day glubbing around in the Pacific with a bunch of kids fifteen years younger than I and five years younger than Janice. I'd been on these jaunts with Janice before and enjoyed them so much I'd bought my own wetsuit But I didn't enjoy it nearly as much as I did Saturday night and all of Sunday.
